

# Tricky Journeys

## Which journey will YOU take?

Are you ready for Tricky Journeys™? You'll find yourself right smack in the middle of tricks, jokes, thrills, and fun in these action-packed books. Each page tells what happens to the trickster and his or her friends. You get to decide what happens next. Read each page until you reach a choice. Then pick the choice you like best. But be careful... one wrong choice could land these tricksters in a mess even they can't trick their way out of! Combining folktales with interactivity and vocabulary-building text, these Twisted Journeys® style books for a younger age range each feature a different trickster animal in stories adapted from classic folktales. Help the trickster outwit foes and fool friends through cleverness, observation of art, and by choosing the right action at the right time.
